

REFLECTIONS OF OUR HEROES IN HALTON HILLS • 2005

They're the people you hope you never have to call. But when help is needed, they are the first to arrive. In the worst times, they are the people we call upon to be at their best. It could be something as major as a car accident or a house fire or something as simple as directing traffic when the lights go out. Police officers, fire fighters and paramedics put themselves at risk to help others. Join our sponsors in showing your appreciation for these local heroes.
