Progress Through Participation

The Halton Regional Police Service (HRPS) is dedicated to providing proactive, reactive and preventative policing strategies that enhance the quality of life in the growing communities of Oakville, Burlington, Milton and Halton Hills, in a region that features Bronte Creek Provincial Park and several conservation areas.

Communicators

In one of these challenging contract and casual on-call opportunities, you will be responsible for receiving, evaluating and processing routine calls for service and life-threatening 911 emergency radio and telephone communications. With your ability to perform multiple, urgent tasks simultaneously and accurately, you will dispatch emergency responders and monitor their whereabouts and safety throughout critical incidents. You are able to quickly and effectively make critical decisions, exercise good judgement, as well as understand and independently apply complex information to a variety of circumstances. You must have a minimum of one year of experience working in a position with heavy public contact which requires you to use your excellent communication skills to obtain accurate information from a variety of clientele. Well developed data-entry skills in a computerized environment are essential. This role requires working 12-hour rotating shifts in a 24/7 environment, including weekends and holidays. For the duration of the training period associated with these positions, you will be assigned on a temporary full-time basis.

As these are relief positions, with both scheduled and unscheduled coverage, you will not be permitted to simultaneously hold a full-time job with another organization. You may work part-time, subject to the approval of the Chief of Police. Please send your resume, quoting **Competition #05-C-16, by September 30, 2005**, to: **Human Resources Services, Halton Regional Police Service, 1151 Bronte Road, P.O. Box 2700, Oakville, Ontario, L6J 5C7.** The Halton Regional Police Service is committed to the principles of equal opportunity. We thank all applicants, however, only candidates selected for an interview will be contacted.
