**Drinking and Driving: You Can't Have It Both Ways.**

Drinking and driving is a one-way street to disaster. Stay on the right track—if you're drinking, arrange for a ride; if you're driving, stay sober. With so many celebrations during the holiday season, it's especially important to remember your responsibility to yourself, your family, your friends and your community: Keep yourself and fellow motorists out of danger by staying sober behind the wheel.
