## The Regional Municipality of Halton

### NOTICE OF STUDY COMMENCEMENT

#### Steeles Avenue (Regional Road 8) Transportation Corridor Improvements James Snow Parkway (Regional Road 4) to 250 metres West of Trafalgar Road (Regional Road 3), Town of Halton Hills

#### Class Environmental Assessment Study

The Regional Municipality of Halton is initiating a Class Environmental Assessment to consider a wide range of options for transportation corridor improvements to satisfy future travel demands on Steeles Avenue (Regional Road 8) from James Snow Parkway (Regional Road 4) to 250 metres west of Trafalgar Road (Regional Road 3), in the Town of Halton Hills (see map below). In order to best address operational deficiencies and the need for additional capacity along the Steeles Avenue corridor, a number of road improvement alternatives will be examined as part of the study including widening of the roadway, cross-sectional elements, intersection improvements, overall traffic operations, as well as the impact of such improvements on the social and natural environments.

This notice signals the commencement of the Class Environmental Assessment, a study which will define the problem, identify and evaluate alternative solutions, and determine a preferred solution in consultation with the Town of Halton Hills, regulatory agencies, and the public. The study is being conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (June 2000), which is approved under the Ontario Environmental Assessment Act.

A key component of the study will be consultation with interested stakeholders (public and regulatory agencies) at two Public Information Centres (PIC). The PICs will provide stakeholders with an opportunity to meet the Project Team, review the study scope and discuss issues related to the project including alternative solutions, environmental considerations and evaluation criteria. The first public meeting will be held in November 2005. Details regarding the forthcoming PICs will be advertised as the study progresses.

### Child Care Subsidy Available for Families

Chairman  
Joyce Savoline

Halton Region has received additional provincial funding to support families with their child care costs. If you are a low income family, working, retraining or looking for a job, and require financial assistance with your child care costs please call 905-825-6000 or 1-866-442-5866 and ask for the child care subsidy program to determine if you are eligible. The subsidy is available for children from birth to 12 years of age.
