

Outgoing president gave Chamber a face

Last month I had the pleasure of swearing in the new board of the Halton Hills Chamber of Commerce.

After three years, Norm Paget will be stepping down as president. Norm has put a face to the Chamber. He has often teased that his picture is in the paper more than mine.

A wise Georgetown senior once told me "you don't get your picture in the paper by sitting on the couch". Norm certainly didn't sit on the couch. He was a tireless worker for the Chamber, and worked on many community projects. I'd like to take this opportunity on behalf of council to welcome Wendy Hue as the new president, and wish all of the board members best wishes.

...

As fall is now upon us, and the Georgetown Farmers' Market and Acton Trunk Sales are drawing to a close for another season, I wish to extend a special thanks to the many organizers and volunteers for their dedication and hard work every Saturday throughout the summer months.

...

Congratulations to Georgetown golfer Mary Ann Lapointe, winner of the U.S. Women's Mid-Amateur Championship at the Shadow Hawk Golf Club in Richmond, Texas on September 14. Mary Ann is the first non-American to win this event. Halton Hills is proud of you!

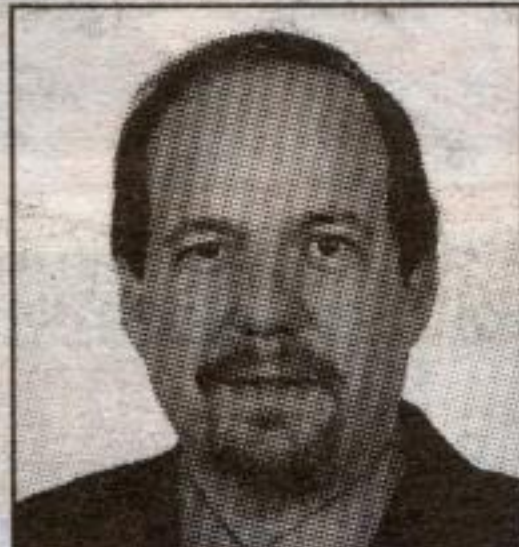

...

The fall Walk the Hills Challenge is on! We are into week four of the Challenge, and so far I have walked more than 22 hours. There is no better way to enjoy our beautiful community and, of course, stay active while walking. I challenge you to join me and the many other residents, businesses, and groups who are getting active. Check out the Active Halton Hills link on the Town's web site at www.haltonhills.ca for more information.

The anticipated development within the

THE MAYOR'S MESSAGE

Rick Bonnette

401-407 Gateway Business Park has now begun in earnest.

First Gulf Developments held a sod-turning ceremony on September 15 to officially launch their industrial subdivision located on the north side of Steeles Avenue and Fifth Line. An 83,000 square foot industrial building for Fernbrook Springs is currently under construction. A second building will be under construction in the near future for Hayward Gordon, a manufacturer of pumps and filters. Additional industrial developments are anticipated on the First Gulf lands in the coming months.

...

Our community has been busy welcoming the following new businesses:

In Acton, TD Canada Trust and in Georgetown, Golden Star Insurance Brokers Inc., Boreland's School of Karate (re-opening) and Centre Stage School of the Arts.

The Mayor's Artwall is presently showcasing the artwork of a 14-year-old Georgetown resident, Marie Keenie. At such a young age, Marie has an outstanding talent in the arts. If you visit the Civic Centre, I'm sure you will admire Marie's display.

...

Keeping it real! I can be reached by telephone at 905-873-2601, ext. 2342, or by e-mail at mayor@haltonhills.ca

—Rick Bonnette is the mayor of Halton Hills

Locals honoured

At a recent ceremony at Christ Church Cathedral, Hamilton, five local Anglican Church members were among a group of 48 who were recognized for exceptional service to their respective parishes, with the presentation of the Order of Niagara by The Right Reverend D. Ralph Spence, the Bishop of Niagara. Mary Flippance (left) of St. Stephen's Anglican Church Hornby, and Joan Hayes of St. John's Anglican Church, Stewarttown were among the five locals who received the recognition. Other Halton Hills recipients included Cindy Blades of St. Alban's, Acton, Helen Shannon of St. George's, Georgetown and Margot Murray of St. Alban the Martyr, Glen Williams.

Tooth Chatter

by ALEX TRENTON DENTURIST

CLEANING YOUR DENTURES

Keeping your dentures clean is the most important patient responsibility in good oral health. Dentures, like natural teeth, attract plaque, become stained and collect food particles that can cause bad breath. The two best methods of cleaning dentures are brushing and soaking.

SOAKING

Soaking your dentures every night with an effervescent tablet will effectively cleanse away food particles from crevices and spaces between the teeth. It will remove plaque and odour-causing film, and eliminate virtually all micro-organisms.

BRUSHING

The most effective cleansing method is brushing with a special denture brush and paste. Use a special denture paste, as regular toothpaste may be too abrasive, and can damage the acrylic surface of your dentures. Brushing daily will maintain the bright natural appearance, as well as leaving your mouth feeling fresh. Brushing is recommended for removal of plaque. The best cleaning method is to combine both brushing and soaking.

We can clean your dentures professionally for stubborn stains and build up. Also, "Lavdent denture Cleanser" is available through our office, and is the next best thing to Professional denture cleaning.

You do not need a referral; simply call our office direct.
