

Mill St. Crossing Pub hosts dinner/dance to support skateboard park fund in Acton

Mill Street Crossing Pub & Restaurant in Acton, formally the Station Hotel, is holding a dinner and dance in support of the Acton Sports Action Park (ASAP) Committee on Saturday, Nov. 5.

There will be door prizes and raffles with proceeds going to help build a skateboard park in Acton.

Sue Romanek, the owner of Mill Street Crossing says, "This is a great opportunity for us to support the community and to do something positive for the young people in Acton."

Tickets are \$50 per person. For more information and tickets contact Sue at 519-853-0620 or Deb Fendley, ASAP chair, at 519-853-9003.

Raffle aids ASAP cause

Acton's Deborah Dunsire and James Paulsen each won a JEEP Mountain skate board in a raffle to raise money for Acton's new skateboard park. Receiving his board was James, from ASAP Chair Deb Fendley, and committee member Councillor Clark Somerville. Fendley said, "We are well on our way to having a skate park in Acton, and thanks to the support of Halton Hills individuals and businesses, like Georgetown Chrysler who donated the mountain boards for this raffle, we will see this park sooner rather than later." It is an exciting time for ASAP committee members as their focus shifts to design and fund-raising work for the park. New members are welcome. Call ASAP chair Deb Fendley at 519-853-9003 for more information.

CHANGES AND ADJUSTMENTS

It may be necessary from time to time to have changes or adjustments made to your hearing aids or molds.

Your hearing can change slightly; you can gain or lose weight; develop circulation problems; develop an allergy...the list is long.

Hearing Instrument Practitioners will want to see you on a regular basis to ensure you are receiving maximum benefit from your aids. No problem is "too small" to have checked. Your hearing is too precious not to receive the best possible attention.
