### YOUR HOUSE SOLD IN 90 DAYS OR BRUCE ELMSLIE BUYS IT!!!

Shop for your new home with a "GUARANTEE SALE"  
for the one you are leaving behind. (some restrictions apply)  
Here's how it works!!

The agreement with me is to sell your property within a specific period of time. If I am unsuccessful . . . I will purchase your property for the agreed price we have established. That's how confident I am in the ability to find a buyer. Should we be fortunate enough to obtain a higher price than agreed upon, I will rebate the difference to you.

Wouldn't it be a relief to shop for your new home with "ready cash"?? That's how you make a better purchase! A pretty "risky" move for me? Not really! It is my business to sell properties and I've got a whole lot going for me . . . powerful advertising programs to market your property correctly, along with the financial connections to assist you when making the move.

"Let me work for you . . . I have specialized in the marketing of resale properties in the Georgetown area for over 34 years. I started my real estate career with Fobert Real Estate Ltd. in 1970, received countless awards for "top sales achievements", then moved to Re/max as an associate broker and received "top sales awards" three years running. I established "Wildwood Realty Inc." in 1987 and have been very successful in the sale of town and country properties in this area since that time.

Please contact me if you are planning a move, you will be delighted with the efficient and courteous service my Real Estate Company has to offer.

## "If You're Going To Be Selling Your House In The Next 6-12 Months, What You Do Right Now Could Mean A Difference Of Thousands of Dollars -- Especially If You're Going To Be Buying Another Home. . . "

Georgetown (ON) - Even though your house isn't on the market yet, the buyer for your house is already starting to read the real estate magazines - just like you are right now.

A recent interview with Yvan Desjardins of Re/Max revealed several tips for anyone thinking of selling their Halton Hills area home.

"Most owners think that their homes will sell quickly. Everyone thinks that their home is special and will bring a good price. In fact, a lot of all new listings that go on the market eventually expire with the home still unsold."

If you are going to be selling your house in the next six months, there are some things you can be doing now that will help you get top dollar for your home when you do sell it.

You may be looking at this publication right now looking for the next home you are going to buy - even though you haven't sold the house you are in now. If that's the case, it's especially important for you to plan your move properly.

A special report has just been released which shows you step by step what you need to do to get ready to sell your house for top dollar quickly.

**Here's some of what you'll learn:**

◆ Why buyers love model homes and

how to make your house show like one.

◆ How to sell your house in as little as 24 hours - without even putting it "on the market"

◆ How a 25 cent upgrade could earn you an extra \$500 - \$1000 when you sell.

◆ How to find out what houses in any neighbourhood are really selling for - and how long it takes for them to sell.

◆ Why most real estate advertising

will never sell your house - and what to do about it.

◆ How to avoid the most expensive mistakes smart people make when they buy or sell a home.

◆ How to find out the current market value of your home for free over the phone.

Yvan says the information in this report is the secret to his success in selling homes so quickly and the reason he is able to sell most of his

listings in less than 90 days.
