## Zoning altered for townhouses

Council recently approved zoning bylaw amendments that will allow Fernbrook Homes to build condominium laneway townhouses in Georgetown South.

The zoning bylaw allows for an decreased side yard and increased lot coverage for detached garages accessed from a private lane. This applies to 21 townhouses fronting on Danby Rd. and Snowberry Crescent, new roads on the west side of Mountainview Rd., north of 10 Sideroad Rd.

The approval now paves the way for site plan approval and eventual construction.

## Gas line break

Residents in the area of Eighth Line and Cromar Crt. were evacuated from their homes for a short time Wednesday afternoon after a construction excavator struck a gas line. Halton Hills firefighters responded at approximately 3:10 p.m. and remained on scene until about 4:30 p.m. when Union Gas crews arrived.
