Join Our Team

HOW would you like to be rewarded with great benefits, company match RRSP, pension, safety boot and clothing allowances, opportunity for growth and many incentives? Guardian Fiberglass is a leading manufacturer of residential fiberglass insulation with position openings for:

ELECTRICAL/ELECTRONIC TECHNOLOGIST

This is a hands on plant position 7:30am-4:00 pm (Monday-Friday) installing, troubleshooting, and maintaining electrical/electronics equipment on a continuous flow process line. Requirements include a sound technical working knowledge and the ability to implement and modify power distribution and industrial control systems including PC based, PLC's (Allen Bradley and other), ladder logic programming, relay logic circuits and variable speed drives. This position requires a mechanical aptitude, good work references, a "can do" attitude, ability to work with maintenance and production, and an understanding of production urgency. Project management and mechanical engineering experience are definite assets. Salary commensurate with experience.

PRODUCTION WORKERS

\$14.11/hour to start increasing to \$16.20/hour after 6 months
(plus shift and weekend premiums averaging \$.72/hour)
POTENTIAL TO EARN OVER \$40,000 AFTER 1 YEAR (more with overtime)

Must be willing to work 12 hour shifts (10:00 - 10:00) that rotate every 2 weeks between days and nights. Work only 15 days/month and have every other weekend off!

Applications are being accepted for energetic, dependable and dedicated people who would like the opportunity to grow with one of the very best companies in the fiberglass manufacturing business. See our website at www.guardian.com for further company information.

To apply to either of the above two positions please apply in person anytime or mail your resume with reference information to:

Guardian Fiberglass
