

JAY SPRAGUE

# Sprague lands college deal with MSU

Continued from pg. 1

"Jay is a consummate pro both on and off the ice," Indiana GM Paul Skjodt said on the team's web site. "We believe he will be an impact player for the Ice this year and a great addition to the Michigan State hockey program."

The Division I school has produced NHLers such as Anson Carter, Mike York, Bryan Smolinski and Rod Brind'Amour. It was also where Georgetown's Wes McCauley played his college hockey.

Sprague is looking forward to playing college hockey but knows he has a lot of work ahead of him if he wants to make an impact next fall.

"It's a whole other level and I know I have to improve," Sprague said. "I've got to get stronger, get faster and improve my shot."

Every one of our cars is carefully selected and must pass our 110-point mechanical, appearance and detail inspection before it ever goes on the lot. If it fails, we won't sell it. We back that up with a 30-day or 2500 km exchange policy, a 6-month or 10,000 km powertrain warranty and a 30-day mechanical warranty. And we put it in writing. Few used car dealerships can offer you that kind of peace of mind. But then again, you would expect a company established in the 60's to be big on peace.
