## Plumbing Warehouse offers variety

Over the past five years Avtar Braich, the owner of Plumbing Warehouse-Kitchen & Bath Showroom, a family-run business located at 5 Mountainview Rd. N., has strived to provide Halton Hills residents with a place to shop locally that provides a wide range of quality products and services to suit any style and budget.

The store offers everything, says Braich, from granite, corian and sile stone kitchen and bathroom countertops, vanities, working model air tubs and whirlpools, bathroom accessories, name brand faucets and toilets, as well as shower doors, marble walls and glass doors which can be custom made.

Braich says customers come back to his store because they like the customer service and "they find our prices are really good." Braich and his family are grateful to their loyal customers, whose ongoing support and kind words have resulted in many referrals from as far as Orangeville, Oakville, Brampton and Milton.

At Plumbing Warehouse-Kitchen & Bath Showroom, a wide variety of models are always on display and new models arrive regularly.

"If the customer doesn't see what they want on display, I would be happy to order it for them," Braich says.

When it comes to installing products, Braich says they refer customers to local contractors the company has worked with. "If someone wants something installed we get local plumbers that we normally deal with."

Braich says if a customer wants to know more about the company and its services he will gladly give them a reference of a customer(s) they have already worked with. "If they want references they can always let us know."

Plumbing Warehouse is pleased to offer an after-hours service to customers who are unable to browse or place an order during their regular business hours. Customers can call the store at 905-702-0885 or 905-702-2430 to arrange this service.

Braich said he is planning on installing a children's play area and a working shower, that will include rainshower body jets and more.

The Plumbing Warehouse hours are Monday to Thursday 9 a.m. to 7 p.m., Friday 9 a.m. to 8 p.m., Saturday 9 a.m. to 5 p.m. and Sunday 12 a.m. to 5 p.m.

Avtar Braich displays a vessel sink as well as some of the unique kitchen and bar faucets available at the Plumbing Warehouse on Mountainview Road in Georgetown.
