\$337,900 HOPE TO BUY A NEW HOME?
Well, here it is and without the headaches, long or extended closing dates and escalating construction costs. This 4 bedroom, 4 bath home, less than one year old, is situated in charming village of Rockwood. An extensive list of upgrades including the potential for an "extended family situation". With over 2000 sq. ft.

of living space, you should really compare with current construction prices. Why not give me a call to view or to receive full list of quality upgrades. By the way - another bonus - the "muddy yard" stage is over and grass is growing. Fast closing available.
