

**Turn your clocks back!**

Halton Hills Fire Protection and Prevention Services Fire Safety Specialist David Ford went to new heights to get his message across about changing your clocks and the battery in your smoke detector with daylight savings this weekend, as he ascended the aerial truck to check the clock at Prosperity One in Acton. Clocks are to be set back one hour Saturday night/Sunday morning as Daylight Savings ends.

**Acton YMCA Child Care Centre Offers New Improved Facilities**

Effective Sept. 5, 2005 the Acton YMCA Child Care Centre is pleased to announce that they have moved location. The Child Care Centre still operates at 69 Acton Blvd. near the intersection of Hwy 7 and Hwy 25 however they have relocated from the upper level to the lower level of M Z Bennett School.

The site offers many improvements to program participants including all new equipment and more spacious rooms, freshly painted using YMCA approved colours. Larger windows also provide more natural light. The centre is now wheel chair accessible, air conditioned, and situated adjacent to a parking lot. The centre has a new kitchen that is used for cooking activities and meal preparation. We feature a natural playspace with trees, sandbox, gardens and large bike path. The programs are expanded to 48 pre-school and 30 school-age spaces.

The Action YMCA Child Care Centre offers care for children between the ages of 2 to 12 years. Hours of operation are Monday to Friday, 7:15 a.m. to 6:15 p.m. The Centre meets with all YMCA standards and is in clear license with the Ministry of Community, Family and Childrens Services.

The relocation takes place in conjunction with the Board of Education and the funding through the Region of Halton. Through this initiative, the relocation and its joint efforts has strengthened the partnership with school and staff.

The Acton YMCA is pleased to have been one of the sites chosen to participate in the Quality 1st Preschool Demonstration Project for fulltime programs serving children ages 2.5 to 5 years.

The YMCA of Greater Toronto is a leader in child development and has been offering quality licensed child care to the community for over 25 years. YMCA Child Care programs promote a home-like setting fostering healthy development and focusing on the well-being of the child.

Our Grand Re-Opening Celebration is on November 4th from 8 - 10 am. Staff would be pleased to give a tour or answer any questions you have, please call 519 853 0909.
