**NOTICE OF PUBLIC INFORMATION CENTRE #2**

**GEORGETOWN CORRIDOR RAIL EXPANSION  
 From Winston Churchill Blvd. to East of the Malton GO Station**

**THE STUDY:**

GO Transit, the Province of Ontario's interregional public transit service for the Greater Toronto and Hamilton areas, is undertaking a Class Environmental Assessment, Federal Environmental Assessment and Preliminary Design Study, for improvements, including additional tracks in the Georgetown Corridor, to accommodate increasing demands for service. The study will also identify a location for a GO Train storage facility near the Mount Pleasant GO Station. The study limits are from Winston Churchill Blvd. to east of the Malton GO Station.

**THE PROCESS:**

The project is following the planning process for a Group 'B' project under GO Transit's Class Environmental Assessment Document (2003). The project will also require approval under the Canadian Environmental Assessment Act (CEAA).

Your participation is an important part of the process and we welcome your input. You are invited to attend one of the Public Information Centres listed below.
