The Halton Region Health Department will host its second workplace health symposium November 17.

Called 'Standing Still is not an Option', the event is designed for workplace decision makers, human resource professionals and occupational health practitioners.

The keynote presentation will feature Dr. Linda Duxbury from Carleton University's Sprott School of Business.

Dr. Duxbury will cover major issues concerning employee well-being, including workloads and office technology, and the link between employee well-being and recruitment. Her research is based on two national surveys that have indicated a rise in work/life conflict over a 10-year period.

The session will be held at Rattlesnake Point Golf Club on Regional Road 25 from 8:30 a.m. to noon. The registration fee is \$60.

For more information or to register, call the health department at 905-825-6000, ext. 2904, or visit www.halton.region.on.ca/health.

NOW OPEN SUNDAY 11-4

Every one of our cars is carefully selected and must pass our 110-point mechanical, appearance and detail inspection before it ever goes on the lot. If it fails, we won't sell it. We back that up with a 30-day or 2500 km exchange policy, a 6-month or 10,000 km powertrain warranty and a 30-day mechanical warranty. And we put it in writing. Few used car dealerships can offer you that kind of peace of mind. But then again, you would expect a company established in the 60's to be big on peace.
