

## Book sale bonanza

Fraser Direct will be holding its annual book sale Saturday, Nov. 19, from 8 a.m. to 4 p.m. at their 100 Armstrong Avenue location (rear entrance off Sinclair). Employees Trish Reynolds (left) and Danielle Terry check out some of the many books that will be available. The sale will offer numerous books, DVDs, art kits and novelties, and all proceeds are donated to charity. Photo by Ted Brown

TOWN OF  
**HALTON HILLS**  
*Working Together Working for You!*

If you wish to register to speak to Council at its meeting to be held Monday November 28, 2005 at 9:00 p.m. please contact the Clerk's Department at (905) 873-2601 ext. 2333. 175

### TOWN OF HALTON HILLS WINTER CONTROL

#### Winter Control

The Town of Halton Hills has specific plans in place for clearing snow covered streets and sidewalks to help navigate your way while driving and walking in adverse weather conditions. The Town of Halton Hills maintains over four hundred kilometres of roads as well as over one hundred kilometres of sidewalk.

The winter season will soon be upon us. Be alert for snow plows and stay back at least 15 meters behind snow plow trucks.

Winter control is performed in a priority sequence starting with Regional, arterial and collector roads. Winter control begins as soon as snow starts covering these roads. Plowing these roads begins after 2 cm of snow has accumulated. Upon completion of these roads, local streets are plowed and sanded. Heavy snowfalls and/or successive storms can extend winter control activities depending on severity and frequency. The Town would like to remind all residents to abide by existing By-laws in order to provide efficient winter control.

#### Overnight Parking Restriction

Uniform Traffic Control By-law No. 84-1 prohibits parking:

**2:00 A.M. – 7:00 A.M. (Daily)**  
**November 15, 2005 to April 15, 2006**

On all streets under the jurisdiction of the Town of Halton Hills, unless authorized signs indicating otherwise are specifically posted. Motorists are reminded that By-law No. 84-1 also prohibits the parking of a vehicle on all Town or Regional Roads for longer than 3 consecutive hours at any single location, unless otherwise specifically posted. This By-law also prohibits parking on or over sidewalks. On-street parking hinders snow clearing and other road maintenance operations.

**AUTHORITIES MAY HAVE VEHICLES TICKETED OR TOWED AWAY AT THE OWNER'S EXPENSE.**

Motorists should note that Town By-Law Enforcement Officers will be on patrol through the duration of the parking restriction period and will ticket and/or have the offending vehicle removed. Enforcement Officers will not enforce parking on sidewalks between 2:00 a.m. and 7:00 a.m. where the Town does not clear the sidewalks.

The placing or pushing of snow or ice onto roadways or cleared sidewalks will obstruct or encumber vehicular and pedestrian traffic. Do not push snow across roadways because the trail of snow left behind does turn to ice. The Town's Obstruction, Encumbering or Fouling of Highways By-law NO. 90-68 prohibits such action.

Improper snow and ice clearing can be a serious hazard to motorists and pedestrians. Your co-operation is requested. Please comply with the requirements of the By-laws.

#### Sidewalk Snow Clearing

Halton Hills Council adopted a sidewalk snow clearing policy and Town staff clear those areas identified in the policy. As a courtesy to all residents, the Town requests that homeowners on local streets clear the sidewalk in front of their houses. This provides for safer conditions for children and adults alike. Staff utilize efficient tractor equipment to clear the snow from selected sidewalks. It is important that cars not encroach or park on the sidewalks to ensure uniform snow clearing.

Sidewalks receiving snow clearing services are on both sides of collector and arterial highways, sidewalks on roads with traffic greater than 1000 vehicles per day, and sidewalks in walkways that connect to sidewalks on collector and arterial highways.

The following roads are scheduled for sidewalk clearing:

#### Acton:

- Kingham Road
- Main Street
- Elizabeth Drive
- Wallace Street
- Dairy Drive Walkway
- School Lane
- Mill Street East
- Young Street
- Queen Street
- Meadvale Road
- Longfield Road
- Acton Boulevard (from Queen St. to McDonald Blvd.)

- Baylor Crescent Walkway
- Curry Crescent Walkway
- Harriet Street Walkway
- Chester Crescent Walkway
- Duncan Drive Walkway
- Weber Drive Walkway

#### Norval:

- Guelph Street (Hwy. 7)

Staff will deploy resources to START clearing snow within 12 hours (after snow has stopped and there is a minimum of 8 cm accumulation). Sidewalk snow clearing is completed within 48 hours from the end of the snowstorm. For icy sidewalks staff will deploy resources to treat the sidewalk with sand or salt within 48 hours of becoming aware of the icy sidewalk condition.

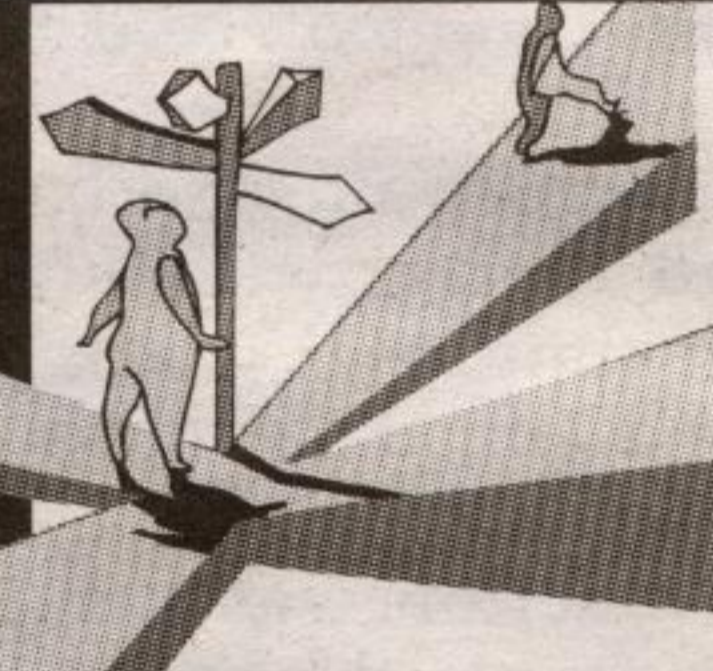

All decorative items that abut sidewalks and curbs should be flush with the ground and 30 cm (12 inches) from the edge of curbs and sidewalks. This will reduce the damage to property and snow removal equipment as well as minimize the chance of injury to operators. The Town is not responsible for damage to decorative items on the road allowance.

Damage as a result of winter maintenance to Town sod and/or trees will be repaired as soon as possible after the winter control season is over.

For additional information please call 905-873-2601 extension 2603.

R. L. Henry, P. Eng.,  
Director of Engineering & Public Works 176

Work where you can make a difference!
