**The Independent & Free Press**  
*Lost in the Wilds*  
**SURVIVOR CONTEST**

Our survivors are lost in the wilds of Halton Hills. Only one will survive and you, the readers, will decide who that survivor is by casting your ballot each week. A vote for someone means you're voting them out.

Over the next eight weeks, readers will have a chance to vote seven survivors out of our Survivor Contest. The survivor will win \$500 for the local charity of your choice.

Each week, you are invited to vote off one survivor, using the ballot shown

here. Find the three **CRITTERS** (buck, goose & bear) hidden in the advertisements and submit your answers. Each Monday at noon, the ballots will be collected and counted by the Tribal Council at the Independent & Free Press. The survivor voted off will be announced in the following Wednesday's newspaper. Each week our survivors will be required to complete a questionnaire. Look to these pages to find out how they're succeeding. Please note - Tribal Council's decision is final.

One reader a week who casts a correct ballot will win a **SURVIVOR PRIZE PACK**. At the end of the contest, one name will be drawn from all the ballots submitted, for the Grand Prize. The more times you vote, the greater your chances of winning fabulous prizes and knowing that a great community group or charity is going to benefit from this contest! Independent & Free Press employees and their immediate families are not eligible for prizes.
