

# Georgetown Seniors plan AGM

First luncheon of 2006 was served up on Tuesday, January 10. Thanks to June Gilson and her crew. The hot pies were delicious.

Please note! In deference to a bus trip planned for Feb. 14, the lunch and annual general meeting to be held that day have been moved to Tuesday, February 21. This will allow all members to be present at the AGM.

The annual general meeting is an important event in the calendar of the Georgetown Seniors Centre. It gives you, as a paid up member, the right to express your opinions and concerns and to vote should one be called. Make sure you bring your membership card with you that day.

We are really glad to have Tessie back for tai chi instruction. A great big hug to the ladies who took over in her absence in order that we could keep our times. There have been some changes in the tai chi classes for this session. The Tuesday Beginner class has been cancelled and the Wednesday Beginning II class has moved to 9:30 a.m. and become part of the 108 class. Classes are cancelled if there are not sufficient numbers to pay for the space and the instructor. If you are interested, it is important that you let your intentions be known well ahead of the first class.

It has been brought to my attention that interest in the Fresh Food Box program is waning. The box for February must be ordered and paid for by February 10 and will be available for pickup on February 21. It is a great deal and one that keeps us eating healthier.

Sometimes the worst scars of child abuse can't be seen. Whether physical or emotional, abuse attacks a child's self-esteem and emotional development, leaving long-term emotional trauma and pain. You can help prevent child abuse by being a nurturing parent or caregiver. By letting children know they are special, competent and loved, you can help them develop positive self-images and happier futures.

If you feel overwhelmed, angry or frustrated as a parent, help is out there for you. Look in your area for support groups and services, or talk to a trusted friend, family member, pastor or doctor about what you can do to protect and support your child. If we all do our part to prevent child abuse, we'll get to the heart of the matter.
