

# New library magazines provide a wealth of information

While newspapers can keep you up-to-date with the news, magazines can keep you up-to-date with just about everything else, and entertained too.

The Halton Hills Public Library has recently added some titles to our ever-growing magazine collection. Here are some examples of what is new this year:

*Budget Living* is a fascinating magazine to read, simply because of the originality of it. Specially directed towards the uncommonly thrifty or those of us who simply hate throwing things away, this magazine gives instructions on how to recycle anything into, well, just about anything. For example, an old quiche dish and a selection of old spoons can be fashioned into a decorative mirror for your hall. Imagine that!

Also new to the Georgetown Branch is *Wired* magazine. This "tabloid for the tech-savvy" is filled with more than just the latest games and gadgets. Within its pages you'll find articles about current events, the arts, politics, business, and how all these are affected and sometimes ruled by our technology-soaked world.

Whether you are a vegetarian or just in search of some really fantastic recipes, come to the Georgetown Branch and take a look at *Vegetarian Times*. Packed with fantastic recipes, reviews of kitchen gadgets, and advice for healthy living, this magazine is a great read for "foodies" and the health-conscious alike.

New to the Acton Branch's collection is *Simple Scrapbooking*. This magazine is a wealth of scrapbooking ideas for both the novice and the expert. Examples of designs, equipment to use, how-to instructions and advice for designing your own special pages are all featured in this beautiful full-color magazine.

The Acton Branch is also adding *Acreage Life* to its collection. Whether you live on a small farm, fancy trying your hand at hobby farming, or have a little extra land around your cottage, this guide to rural living can help you make the most of your property.

For more information on these or any of the almost 200 magazines subscribed to by the Halton Hills Public Library, please visit either branch or check out our website at [www.library.hhpl.on.ca](http://www.library.hhpl.on.ca).

## Cool OR Clueless?

Is there really any question?

There's no doubt about it: smoking pollutes your body and takes years off your life. Cigarettes are very addictive, very expensive and very unpleasant for those around you. If you do smoke and have thought about quitting, prove to yourself you can do it. It takes a lot of hard work and dedication, but you can live smoke-free if you try.

# WINTER Warm-Up!

8 Week Challenge!

February 4 to April 1, 2006

Take a hike on a trail! Take a plunge in a pool!  
Take a slide down a hill!

**Winter Warm Up** is a community campaign designed to encourage residents of Halton Hills to lead an active lifestyle year round!

- Record the time you spend being active on your Activity Log!
- Track your progress!
- Develop a lifelong active attitude!
- Challenge your friends, family, classmates and co-workers!
- Be eligible for great prizes!
- Stay warm throughout the winter!

**50 Ways to Leave your Sofa!**  
See the Active Halton Hills website for great ideas on getting up and enjoying yourself this winter!

**It's e-easy!** We have a **NEW and improved online** logging system for the Winter Challenge! Record your activities by clicking on the "Record your Activity Here" link in the Winter Warmup section. Your account will be updated weekly!

Activity Logs are available at all Town facilities or can be downloaded from the Town website by clicking on the "Winter Activity Log" link.

Activity Logs can be dropped off at the Gellert Community Centre, Acton Arena & Community Centre and Civic Centre.

For more information, visit the Active Halton Hills link on the Town of Halton Hills website at [www.haltonhills.ca](http://www.haltonhills.ca) or call 905-873-2601, ext. 2262.

Active Halton Hills is an Active 2010 Initiative funded by the Ministry of Tourism & Recreation
