

# High school roundup

Continued from pg. 20

Ashley Nixon and Kirsten Lowe shutting down a number of hits from Forest Heights with strong blocks, Acton held on 25-23 in the second game to win the match.

Classified as an AA centre, Acton took on AAAA Birchmount in the championship and things looked promising early on, with some scoring serves by Missy Rowley and kills by Katy Boychuk and Alison Minto.

But Bearcat coach Joyce Finley said the "quick" game of Birchmount proved to be too much and Acton settled for silver with game results of 23-25, 23-25.

In junior girls' league play this week, Christ the King rallied to beat Acton 8-25, 25-18, 15-10. Milton's E.C. Drury then downed the junior Bearcats on Wednesday 25-20, 25-17.

## Basketball

Georgetown's Christ the King Jaguars took both games from the guest Acton Bearcats in a Halton league hoops matchup on Monday afternoon.

Steve Ples dropped in 18 points for the senior Jags in their 61-37 victory over Acton, with Seb Mena scoring 15 for the visitors.

In the junior game, Christ the King prevailed 64-34. No individual scorers were available.

Centre Adam Grove had 13 points for the senior Bearcats in a 57-42 loss to E.C. Drury on Wednesday.

## Hockey

The Acton Bearcat girls' team went 3-1 at the Cardinal Carter Classic tournament in Toronto this week, with a 3-2 loss to St. Robert of Thornhill preventing them from appearing in the championship game for the D Division.

## Eight is enough

Two very rare "eight-enders" have taken place this season in the North Halton Golf & Country Club's curling leagues and the most recent was swept up during Day Ladies' action. Pictured above with their perfect end are, from left: Mary Wands, Barb Abray, Sharon Dunlop and Gerrie Dryden. Another eight-ender was recorded by the rink consisting of Al Moore, Mitch Jewell and Dave Robinson back in November. Submitted photo

Where Child Abuse Hurts Most

Sometimes the worst scars of child abuse can't be seen. Whether physical or emotional, abuse attacks a child's self-esteem and emotional development, leaving long-term emotional trauma and pain. You can help prevent child abuse by being a nurturing parent or caregiver. By letting children know they are special, competent and loved, you can help them develop positive self-images and happier futures. If you feel overwhelmed, angry or frustrated as a parent, help is out there for you. Look in your area for support groups and services, or talk to a trusted friend, family member, pastor or doctor about what you can do to protect and support your child. If we all do our part to prevent child abuse, we'll get to the heart of the matter.
