CPI is a world leading high-tech electronics company that designs, manufactures, and markets worldwide a diverse range of products for diagnostic medical imaging and satellite communications for television, internet, and data transmission. As a result of our continued growth, we are looking for top talent to add to our team...

Material Handler

We are looking for a dependable, organized employee who can work independently to complete a variety of material handling tasks including maintaining inventory of packing materials, packing and unpacking shipments, recording transactions, and updating computer reports as required. You will also assist in the loading of outgoing shipments, providing support of heavy lifting where required. You have a high school diploma or the equivalent, experience in operating hand and power tools as well as forklift truck, electric hoist, pallet jack, and packaging equipment, and a valid Class D driver's licence.

In exchange for your talents, we offer a competitive package that includes a comprehensive range of benefits, a friendly and stimulating work environment with an in-house fitness facility, and the opportunity to apply your skills with an industry leader. We value all applicants; however, only those selected for interviews will be contacted.

Please apply to:
