

# Molinaro subdivision plan for Acton property faces losing draft approval

One last chance is being given to a local developer to build a planned subdivision or lose its draft approval.

Halton Hills council will send that recommendation to Halton Region, which makes the final decision, on the Molinaro property at the southwest corner of Fourth Line and Hwy. 7 in Acton. The land is currently being used as a temporary golf driving range.

The Molinaro plan of subdivision, which proposes 13 estate residential lots on private wells and septic systems, was originally approved by the Region of Halton in 1995, but never built. Seven annual extensions of draft approval have been given since then.

If a draft approval lapses, a developer must reapply for a plan of subdivision.

## CALEDON PHYSICIAN RECRUITMENT COMMITTEE

The Town of Caledon is seeking interested parties from the medical community (including local health agencies and physicians) to volunteer for the *Caledon Physician Recruitment Committee*.

Acting as an advisory committee to Council, the committee will identify issues and opportunities, as well as support physician recruiters to assist the Town of Caledon with its goal of increasing the number of family physicians practicing in the community. The committee will meet four times per year, and shall report to Council on an annual basis.

To apply, please submit a letter of interest which outlines relevant background or qualifications by March 31, 2006 to Norm Lingard, Manager, Economic Development & Communications via mail or email ([norm.lingard@caledon.ca](mailto:norm.lingard@caledon.ca)).

Applicants must be a member of the medical community who currently reside, operate or practice in Caledon.
