Glen Williams Songwriter's Concert scheduled for April 8

The Source of the Song 6 Songwriter's Concert on Saturday, April 8, from 2-5 p.m. at the Glen Williams Town Hall may have a definite "country" vibe as Canadian country music star John Landry, singer/songwriter Rich Baker (a longtime co-writer with Landry), and pop-rock songwriter/artist Linda M will be the special guests joining host songwriter Bruce Madole.

This will be the first occasion in the concert series in which more than one of the co-writers of a hit song will be present. The Landry and Baker writing team was responsible for some of the most-played country songs in 2000 and 2001, including such hits as *There You Were*, *Bit by Bit*, *Long Gone and Forgotten*, and *My Heart Says Yes (But the Hurt says No)*.

Linda M is known to some for her musical contributions to the television show *Dawson's Creek*, and is a founder and host of the women's songwriter's round *Girls With Guitars*, featuring

some of the hottest female songwriters across North America.

Tickets for the event are \$12 in advance and \$15 at the door. They are available at Studio 7, the Williams

Mill Visual Arts Studios, 515 Main Street in Glen Williams (directions at www.williamsmill.com), or from Best's Harbour, 523 Main Street (directions at www.bestsharbour.com).
