## "OUR GRADES JUST KEEP GETTING BETTER."

Oxford Learning is the only after-school learning program of its kind for grades one to twelve. First, we pinpoint how your child learns using our Dynamic Diagnostic Assessment™. Then, we create an individualized program that goes beyond tutoring to teach your child to learn and study more effectively — to reach his or her full potential. Better grades, motivation and confidence follow. Give your child a lifetime of learning success.

# Kinder Fun

## Prepare your children for school

ABC's and 123's! Prepare your child for Kindergarten with educationally-based activities such as circle time, theme days, crafts and story time at KinderFun at the Gellert Community Centre for eight weeks beginning April 3.

This program, for ages 2 1/2 to 5, will familiarize children with classroom routines in preparation for being left alone without parents. Children must be toilet-trained. It will be held on Mondays, 9:10-11:10 a.m. or Wednesdays, 9:10-11:10 a.m.

Kindermusik Village, for children newborn to 1 1/2 years of age, incorporates the most current research on early childhood development. This program will be held on Fridays, 9:30-10:15 a.m. at the Gellert Community Centre beginning April 21 and continuing for 10 weeks until June 23.

Kindermusik is much more than a weekly class. It provides families with a special place for learning, connecting with other parents and babies through music and movement. The CDs, creative activities and children's books you receive from the nationally licensed educator are just the tools you need to continue that one of a kind experience together as a family. Fee: \$115.
