•PRODUCTION SUPERVISOR•
 Grief is a worldwide leader in industrial packaging products and services. We serve a wide range of large to small & multinational to local businesses with a variety of packaging solutions, including Industrial Shipping Containers, Containerboard & Corrugated Products & Timber. Currently, we have an excellent opportunity available for an experienced Production Supervisor for our Milton, Ontario facility.

Qualified individuals will have demonstrated skills in first line supervision of hourly production associates. Main responsibilities will include, but may not be limited to, overseeing production shift operations, supervise shift employees, set-up and operate production machinery, provide training and leadership to employees, assist in machine maintenance; monthly inventory; enforcement of company policies and safety rules; and assist in the coordination of the production process to ensure safety, quality, and efficiency in all aspects of production.

Knowledge of production machinery and the production process is essential. Good interpersonal skills, leadership skills, computer skills, ability to solve problems, and being detail oriented are critical to the success of the candidate. Ability to work as part of a team, plus 1-3 years working in a union industrial plant experience is preferred.

If you are interested in becoming part of our team and meet the above requirements, we welcome your application. Competitive salary & benefits await the right candidate. Please send your resume, with salary history to:
