

Crop for Cancer is 12-hour marathon scrapbooking event

Plus auction, raffles

For the fourth year running, local scrapbookers will gather for a 12-hour scrapbooking marathon tomorrow (Saturday, April 22) to raise money for Cancer Assistance Services of Halton Hills (CAS-hh).

Crop for Cancer, hosted by the Scrapbook Studio in Georgetown, has donated more than \$30,700 to CAS-hh to date. Organizers hope this year's event at Knox Church will surpass their 2005 total of \$15,200.

The sold-out crop will host 48 participants who have each gathered pledges in advance. From 9 a.m. to 9 p.m., croppers will scrapbook their own family memories, participate in games and enjoy make and take projects.

Along with the public, they can support the gourmet cookie sale (1-4 p.m.), the Recipes for CAS-hh raffle (9 a.m. to 5 p.m.), and the silent auction (9 a.m. to 5 p.m.).

The silent auction includes a wide variety of items, both scrapbooking and non-scrapbooking, donated by generous local businesses and scrapbook suppliers. Donations to CAS-hh will be accepted and raffle tickets available at the Scrapbook Studio (102 Main Street South) leading up to tomorrow's event. Call 905-702-8140 for more details.

All-you-can-eat breakfast tomorrow

Georgetown Seniors host pancake breakfast

FLORENCE RIEHL
Georgetown Seniors Centre

Hurray! Spring has finally arrived. Daffodils and tulips are popping up. Golf clubs are in the car ready for my first game. Gardeners are out getting ready for the new plantings. People are smiling. The world seems right again.

On April 11, June Gilson and Alice Wilson, along with their lunch team, served up a fine feast of ham, mashed potatoes, peas and carrots, and fruit cap.

This April Showers luncheon was completed by the return of the ladies from "Sunset Lodge" parading their own Easter hat designs to the accompaniment of Edith Klee on the piano. They closed their show with Marilyn Broadfield singing *The Easter Parade*. I have heard that the ladies may be thinking of going into their own millinery business.

Tomorrow (Saturday) is the All You Can Eat Pancake Breakfast. What a way to treat the whole family to a scrumptious breakfast for \$5 (children 12 years and under, \$3). My mouth waters at the thought of all those pancakes and maple syrup and sausages. I know I will be there. How about you? This breakfast is open to the public.

Another reminder that the Annual Yard Sale has been moved to Saturday, May 3, from 8 a.m. to noon. This is your opportunity to get rid of unused and unwanted items by donating them to the Centre. They have one request that you do not include clothing or shoes. All proceeds benefit the

Georgetown Seniors Centre.

Congratulations to the winners of the Bid Euchre, in first place, Russ Kowalchuk and Lorne Hammond, second place to Sandra Brownlee and Annette Francescetti, third place to Jim Akers and Jo Primus, and fourth place to Gratia Hillier and Norah Emery.

These winners now move on to

the next level. Good luck to you all.

Keep in mind that the coffee is always on at the Georgetown Seniors Centre. Imagine there is still a place where you can get a coffee for 50 cents plus a cookie.

Come out to the Georgetown Seniors Centre. Get involved! Make new friends! Share in the good times!

Caledon Community Complex 6215 Old Church Road, Caledon East

LOCATION:Town-wide **APPLICANT:** Town of Caledon

FILE NUMBERS: RZ 04-19 - Proposed Environmental & Open Space Zoning By-law Amendment & Related Rezoning • POPA 06-01 - Proposed Official Plan Amendment 206 - to delete and redesignate major areas of Environmental Policy Area • POPA 06-02 - Proposed Official Plan Amendment 207 - to add Region of Peel Core Woodlands to Environmental Policy Area • RZ 06-03 - Proposed Zoning By-law Amendment to implement Proposed Official Plan Amendment 207

PROPOSAL - The Town of Caledon is preparing an amendment to its Comprehensive Zoning By-law to implement its Official Plan Environmental and Open Space policies. These Official Plan policies were fully approved by the Ontario Municipal Board in 2003 and the preparation of the implementing zoning by-law amendment has been underway since early 2004. Related to this proposed Environmental and Open Space Zoning By-law Amendment, the Town of Caledon is preparing two amendments to its Official Plan and an additional zoning by-law amendment, as listed above.

PURPOSE AND EFFECT OF THE PROPOSED APPLICATION

RZ 04-19: The purpose of proposed rezoning RZ 04-19, the Environmental and Open Space Zoning By-law Amendment, is to amend the Comprehensive Zoning By-law for the Town of Caledon in order to bring it into conformity with the Town's approved Environmental and Open Space Official Plan policies. These Official Plan policies were fully approved by the Ontario Municipal Board in 2003. The effect of the by-law amendment will be to rezone certain lands to place them in a separate "EPA" or "OS" zone category in the by-law and establish by-law provisions that are consistent with the environmental and open space policies of the Official Plan. The amendment will also result in certain lands that have been identified as not meeting the EPA or OS zone criteria, being rezoned to an appropriate zone category.

POPA 06-01: The purpose of proposed Official Plan Amendment 206 is to amend the Land Use Schedules to the Caledon Official Plan by deleting and redesignating major areas of Environmental Policy Area. As a result of a mapping review that was undertaken during the preparation of the proposed Environmental and Open Space Zoning By-law Amendment (RZ 04-19), it has been determined that certain lands currently designated Environmental Policy Area in the Caledon Official Plan do not meet the criteria for Environmental Policy Area designation. In order to ensure that the Official Plan land use designations are as accurate as possible and that the Official Plan and the Comprehensive Zoning By-law are based on consistent mapping, this amendment will delete these identified areas from the Environmental Policy Area designation and redesignate them to an appropriate designation.

POPA 06-02: The purpose of proposed Official Plan Amendment 207 is to amend the Land Use Schedules to the Caledon Official Plan by adding certain lands to the Environmental Policy Area designation and making related textual changes to the policies of the Official Plan. Lands to be added to Environmental Policy Area are those woodlands that meet the definition of Region of Peel "Core Woodlands" (defined in the Region of Peel Official Plan as woodlands that are a minimum of 30 hectares in size) and that are currently identified on Schedule A of the Region of Peel Official Plan as "Core Areas of the Greenlands System in Peel" but are not currently designated Environmental Policy Area in the Caledon Official Plan. The effect of this proposal will be to bring the Town of Caledon Official Plan into conformity with the "Core Woodlands" policies of the Region of Peel Official Plan.

RZ 06-03: The purpose of proposed rezoning RZ 06-03 is to amend the Town of Caledon Comprehensive Zoning By-law to rezone lands that are redesignated to EPA through proposed Official Plan Amendment 207 and place them in an appropriate "EPA" zone category. The effect of this proposal will be to bring the Town of Caledon Comprehensive Zoning By-law into conformity with proposed Official Plan Amendment 207 and the "Core Woodlands" policies of the Region of Peel Official Plan.

Information regarding these proposals has been presented at two previous public Open Houses, June 20, 2005 and March 27, 2006. All previously released information can be obtained by contacting the Town of Caledon and has been posted on the Town of Caledon Website: http://www.caledon.ca/town-hall/departments/planningdevelopment/Environmental_zoning.asp
