Dave Hassell

22 years in business and I still treat everyday like it's the first. My staff are personally selected for not only their abilities, but also for their integrity, pride and just a basic desire to please. We try hard to make you feel respected and appreciated in both our service and our work. We take great pleasure in knowing 85 – 90% of our business comes from word of mouth.

So if your car or truck requires anything from an oil change to an engine or if you're looking for a great deal on a used vehicle, ask a friend or neighbor about us. We'll look forward to hearing from you.
