**TOURING EDITION**

Standard thinking holds that a car this superbly-equipped is bound to be pricey. The Mazda3 Touring Edition happily overturns this decree. Valued at **over \$1,600**, its touring package includes additional speakers, steering wheel-mounted audio controls, remote keyless entry, cruise control, and pretty much power everything. We've also added a lip spoiler, fog lights, and moonroof under a rule-defying Copper Red Mica exterior.

**TOURING EDITION**

There's a new standard for standard features. In addition to the road-loving attributes of the Mazda6, you get an Anti-lock Brake System (ABS), Traction Control System (TCS), 17" alloy wheels, fog lights, floating spoiler, cargo tray, and sport grille. Special driver treatment also includes a moonroof, and leather-wrapped steering wheel, shift knob, and parking brake handle. In all, a **\$1,600 value**. The Mazda6 Touring Edition. It rules...by breaking them.
