LOST

Monday, June 5th my white Himalayan Persian cat went missing. His name is "Buddy". He has one blue eye, and one brown eye. He is very fluffy and white. Buddy is 7-years old and he is very timid and scared of people and animals that he does not know. He is neutered and declawed. He is an indoor cat, and is not used to the outdoors. Buddy has a medical condition with his eyes and needs his drops daily. I am 5-years old, and my name is Kyle. I have asthma and I'm really allergic to cats and dogs, except Buddy. A reward is offered, please call me even if you have seen him anywhere in your neighborhood. Please look under your decks and in the bushes. My phone number is 905-873-2082, and he's missing from the Argyll and Mountainview Road area. Please help me find my cat.
