

# Red Cross offers help...

The North Halton Branch of the Canadian Red Cross offers First Aid courses, June 24/25, July 8/9 and July 22/23. You will learn simple techniques for First Aid and CPR (cardiopulmonary resuscitation); safety and healthy lifestyle choices key to illness and injury prevention and individualized training and confidence. For more information please contact 905-875-1459. The branch is located at 100 Nipissing Road, Unit #5 Milton.

# ...needs some help...

The North Halton Branch of the Canadian Red Cross Society is looking to recruit volunteer drivers for the Georgetown and Acton area to take local elderly and frail members of the community to their medical appointments. The clients catered to are on their own without friends or family to take them, and desperately need your help. A clean driver's licence, reliable vehicle (gas reimbursement is provided) and police check (reimbursed) are required. First Aid training is provided.

If you have just a couple of hours per week to spare, please call Judith Dobbs at the North Halton Branch, 905-875-1459.

# ...and gets some help

As part of National Organizing Week last month, Professional Organizers in Canada Halton-Peel Chapter assisted the North Halton branch of the Canadian Red Cross to organize its services with an office makeover.

"Our Chapter had some great ideas to turn the Milton Red Cross office into a more efficient workspace and better meet the needs of our community," explained Wendy Hollick, president of the POC Halton- Peel Chapter "We reduced the clutter, making better use of storage and reducing the stress load of both the staff and volunteers."

The volunteers organized the front reception area, meeting room, kitchen and storage areas. This way when volunteers from the community come in to help out, they will know where to find all brochures and information hand-outs, said Hollick. "Efficient paper and collateral storage and display systems save time and increase productivity."
