MEET... Susan Redmond

Certified Divorce Financial Analyst

At SMC Services, a compassionate approach is taken towards helping people make difficult decisions. Susan is a passionate, caring professional who works with people facing or contemplating divorce or separation. For over 25 years, Susan has been involved in the financial community in the accounting field. Currently she has been trained to provide financial information and assistance to people in the process of divorce or separation, this includes evaluating the tax implications of dividing property and the settlement options for dividing pensions, marital property, and awarding of child and spousal support.

Susan is a Certified Divorce Financial Analyst (CDFA™), and a member of the Institute for Divorce Financial Analysts.

There are several absolutes of divorce that effect even the strongest of people. The first is that **no one needs to go through divorce feeling helpless and powerless.** The second is that the normal emotions felt in the early stages of separation and divorce can be overwhelming, clouding your decision-making capacity and actions. Each person coping with divorce must resolve **personal, legal and financial issues** that will affect the rest of your life.

MEET... Bob Graham

Home & Leisure Specialist

As you may know, Backyard Touch (Formerly beachcomber Halton Hills) recently joined forces with Hydropool Industries, the Mississauga based manufacturer of the self cleaning hot tub. Pictured here with Hydropool Rep Doug Gillespie lifelong resident of Georgetown, Bob Graham and wife Nancy have owned and operated the business for the last 4 years and are prepared to deliver the same outstanding service and products that you have come to expect from Bob and his team.

Our philosophy is simple build a reputation the old fashioned way – through offering top quality product and service. This is not a business that was built overnight. Hands on involvement from the owners Bob and Nancy combined with an acute attention to detail has resulted in a store designed to meet the ultimate needs of your backyard enthusiast. At Backyard touch we're looking to relieve headaches not create them, spend more time with family and friends and less time cleaning thanks to Hydropool's self-cleaning hot tub technology. So, whether you come by for a test swim in our Hydropool Aquatrainer Swimspa, or check out some of our unique outdoor additions for your backyard such as our napoleon grills, we will be happy to answer any questions you have. Please drop by for a visit to our new look location.

Let us create an oasis in your backyard
