## Landscape Creations can help homeowners create a new look

Not only is Georgetown's Landscape Creations, a Unilock Authorized Dealer, they've also got a wide variety of natural stone on display outside their 46 Armstrong Ave. location. Stones originating from places such as Bobcaygeon, Wiarton, Orillia and Belwood are in stock, along with armour stone, flagstone and

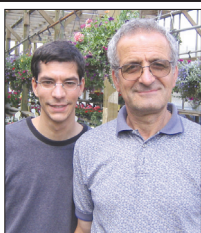

natural stone steps. Owners Bryan Robinson (left) and Andrew Little can provide the tools and products needed by the self-starter or Landscape Creations will design and install an entire project for the homeowner. Call 905-702-8342 for more information. Photo by Eamonn Maher
