

A chat with the boss

Lorne Scots Deputy Commanding Officer Maj. Tim Orange CD had a word with one of the army cadets as he was escorted by Chief Warrant Officer Riley Grant (left) during the annual inspection of the 676 Lorne Scots Georgetown Army Cadets at the armoury. Following the inspection, the cadets presented demonstrations and later received their awards.

Police blotter

Man charged in two Limehouse incidents

Halton Police reported Thursday that a Georgetown man was arrested July 9 for two counts each of prowling by night and committing an indecent act, and one count of public mischief in connection with two recent incidents in Limehouse.

Police say early Sunday July 9 a Limehouse couple noticed a man outside a window of their Fourth Line home.

The male resident went outside to investigate and found a man running from his yard. Police were called, and later that morning charged a Georgetown man.

In the other incident, police received a call from a 22 Sideroad resident who reported her patio furniture had been pushed up against her front bay window sometime throughout the night Wednesday, June 21.

Police allege that the accused was masturbating outside the homes.

Charged is William Larocque, 30, of Gibbons Place.

...

Halton Police are investigating two break and enters into Georgetown homes Thursday evening, one on Market St. and the other on Maple Ave., Thursday

evening.

Police believe the break-ins were related.

The rear doors were forced open to gain entry and jewelry was taken from both homes.

Acton councillor wants another entrance to park

Acton Councillor Mike O'Leary requested the Town ask for another entrance on Hwy. 7 to access the new Acton Sports Park.

"My concern is the number of cars (going through the existing parking lot)," he said.

Council recently approved the engineering contract to Sernas Associates of Mississauga for \$28,938 to design grading and storm drainage for the parking lot and sports fields and to do a traffic study to assess the impact of additional parking areas on the entrance to the Acton Arena as well as the Queen St./Tanners Dr. intersection.
