

# Georgetown Seniors bid farewell to co-ordinator

**FLORENCE RIEHL**  
Georgetown Seniors Centre

It seems summer is here with a vengeance. Wouldn't it be great if we could just bottle up some of that heat and release it on some cold January or February day for those of us who don't go south?

Did you catch that display of nature's force and power during the storm we had last week? I don't know how you could have missed it. Awesome! I just couldn't take my eyes off the constant lightning flashes. The claps of thunder made me think of the situation in the East and of our soldiers in Afghanistan.

Yes. The rumours about Adriana, our Centre co-ordinator, are correct. Adriana suffered a tear in her right coronary artery, which resulted in a heart attack. They inserted five stents and will

continue to monitor her closely. She is one very lucky lady!

As you can imagine a life experience of this magnitude causes one to reflect and re-evaluate. Adriana has, therefore, decided to resign from her position as co-ordinator with much regret.

Adriana has been with us for 12 years and was instrumental in establishing Acton and Georgetown Senior Centres from the ground up. She is renowned for her commitment and dedication to serving seniors in our community and will be dearly missed. Please join with us in wishing Adriana a long and healthy retirement.

Those women from the Centre, who are members of Figures Exercise Club, should be aware that Figures is closing its doors on July 29th. I, for one, am sorry to see this happen. We will need to find another place to exercise. Check out your various options in Georgetown.

For the summer, the drop-in programs are still running at the Centre. It is lovely and cool and coffee is only \$.50. The Centre remains open from 8:30 a.m. to 4:30 p.m., Monday to Friday. And will be closed Monday, August 7 for the Civic Holiday.

## Babysitting course offered in Georgetown

Interested in becoming a responsible and skilled babysitter? If you are 11 years of age and up, this course is for you! This course also has valuable information for children that stay at home alone. It will be held on August 16, 8:30 a.m. to 4 p.m., at the Georgetown police station. Cost: \$35 (includes Red Cross Babysitting manual & wallet card). Call Catherine to register: 905-877-4490.

## How do you want to have fun in the future?

The Town of Halton Hills is developing a **Recreation & Parks Strategic Action Plan**. The plan will examine the provision of recreation and parks services and facilities and identify strategies to address current and future needs of our community.

**Share your ideas! Talk to your neighbours, Councillors and community groups.**

**Attend a Public Meeting this fall.**

**Participate in a Household Survey.**

Visit the Town website at:

**...Lend Me Your Ears**

By Cory Soal  
R.H.A.D.

### IS IT TIME FOR A HEARING AID?

If you feel as if you are missing out - on conversations, movies, plays or public meetings - or if your loved ones are getting tired of constantly repeating themselves, it's time to get your hearing tested.

And if your vanity has you balking at the idea of wearing a hearing aid, you should know that they're smaller and better than ever, thanks to technological developments such as digitization and background noise filtering. More importantly, while hearings aids are still considered a "device" they have significantly improved the quality of life for many users.

Not only do more than 50 per cent of senior citizens need at least one hearing aid, so do many other Canadians. These include younger adults exposed to long-term damaging noise, children who are "higher risk" at birth and people of all ages whose hearing is affected by injury or disease, such as meningitis.
