12 Acton/Georgetown, Friday, August 25, 2006

www.independentfreepress.com

Registration starts Aug. 30
 Town guide available

By now you should have received the Town of Halton Hills Community Activity & Service Guide delivered to your door the weekend of August 18.

Read up on both Recreation & Parks' well-established programs and their brand new ones, as well as information on other community service providers. The Town Guide is a valuable resource for deciding how you want to spend your leisure time.

If you have not received your guide by now, you can pick one up at the Civic Centre, Gellert Community Centre, all arenas, pools, the Halton Hills Cultural Centre, both branches of the Public Library and the Georgetown and Acton Senior Centres or general stores and post offices in the hamlets.

Plan on playing this season with Recreation & Parks. Processing of all fall and winter program registration begins Wednesday, August 30. Manual registrations are now being accepted by mail to Town of Halton Hills Recreation & Parks, fax to 905-873-1587 or drop off at the Halton Hills Civic Centre, Gellert Community Centre or the Acton Community Centre.

Or try the convenient self-serve registration services and find out immediately if you are in a program: on-line with Reg-e at www.haltonhills.ca or by phone with Tele-Reg at 905-873-2498. Family PINs are required for access to both systems. For more information on programs refer to the Town Guide, the Town website www.haltonhills.ca, or call the Program Hotline at 905-873-2601, ext 2275.

What's YOUR Angle?

Youth who are active have more energy and perform better academically.

Start the School Year Off Right!
 Recreation & Parks offers many programs to keep you healthy and happy. Visit the Town website at www.haltonhills.ca.

Fall and Winter registration begins August 30th, 2006!

Active Halton Hills is an Active 2010 initiative funded by the Ministry of Tourism & Recreation. For information on Ontario's Active 2010 project log onto www.active2010.ca.

The Regional Municipality of Halton

Don't Be Late

You can be sure your garbage and recyclables are collected by putting them curbside by 7 a.m. on collection day

To ensure your garbage and recyclables are collected, put your waste curbside by 7 a.m. the morning of your collection day, but no sooner than 5 p.m. the evening before. Collection times can vary from week to week due to route changes, weather conditions and equipment repairs.

If you are concerned about animals accessing your garbage or recyclables:

- Secure garbage containers with bungee cords or weigh down with a rock or brick.
- Sprinkle strong smelling repellents (mustard oil, naphtha flakes or mothballs) around or inside garbage containers.
- Rinse out all bottles, cans, jars, etc., before placing it in your Blue Box.

Remember, collection trucks will start to pick-up your waste and recyclables at 7 a.m. on collection day.

CONSTRUCTION SUPERVISOR:	BOB WICKLUND
	EXT. 7607

Community will keep non-profit sector thriving

A Community Forum held in June 2006 was a great reminder of the strength of the community in helping shape its own future. Nearly 300 attendees including representatives from non-profit agencies, volunteers, funders, elected officials, business and community members developed strategies to move forward the work of the Roundtable. The Roundtable was convened in June 2005 to review the non-profit and voluntary sector's issues, challenges and opportunities.

I'd like to thank everyone who participated in the Forum and those who provided valuable input throughout the Roundtable's initiative. News on future community directions and further opportunities for community involvement will be available in the fall.
