NEWS AND INFORMATION FROM GEORGETOWN HOSPITAL

Georgetown Hospital Foundation Appoints New Executive Director

The Georgetown Hospital Foundation (GHF) is pleased to announce the appointment of K.C. Carruthers as the Foundation's new Executive Director, effective August 14, 2006.

Mr. Carruthers comes to GHF from the Princess Margaret Hospital Foundation where he held the position of Director of Planned Giving since 2004. Having worked in the fundraising field for the past 15 years in a variety of senior level positions, Mr. Carruthers brings extensive experience to his new role with the Georgetown Hospital Foundation.

Mr. Carruthers is no stranger to the Georgetown community or its Hospital. A resident of Georgetown since 2000, he worked for the William Osler Health Centre Foundation as Director of Annual Giving from 2002 to 2004. In this position, he partnered with Georgetown's various service clubs and key supporters to organize a number of community events, including the Foundation's Annual Gala at Scaramouche and the McNally Golf Tournament.

"It will be a real privilege to give back to the community I live and work in by promoting the vital role of our community hospital," said Mr. Carruthers. "I look forward to reacquainting myself with Georgetown Hospital and its supporters, and establishing new community partnerships to strengthen the fundraising arm of our Hospital."

"This is a very exciting time for the Georgetown Hospital Foundation. Georgetown Hospital has always been central to the health of our communities. With K.C. in place as our new Executive Director, the steadfast support of our communities, and the enthusiasm of our volunteers, we have the impetus to move forward," concludes Mr. Paul Armstrong, Chair, GHF Board of Directors.
