Peter "THE GREEK"

One of Peter's long-time goals is to become a champion angler. With his unique personality and cheerful attitude, Peter has many qualities which make him an exceptional server. Stop into Zio's for dinner tonight and while you're there enjoy the friendly, professional service that you will get from Peter "the Greek".

Jason Lowrie

We don't know if you know, but he's kind of a big deal. This 29 year old husband, father and student has been a devoted part of the Boston Pizza Georgetown team for close to two years. He has always been a favorite amongst his guests as well as his fellow staff. He continues to wow us with his dashing good looks and impressive brain. Jason had the honour of being crowned 1993's Mr. Acton Fall Fair. What the criteria was ... we'll never know! He enjoys long walks along the beaches of Fairy Lake, picnicking at Darien Lake and snuggling up with a good romance novel. Vote for Jason because we really feel he is Georgetown's Server of the Year. We just hope he doesn't forget the little people who got him where he is today.
