Downtown was Rock'n, Roll'n

Jack McFarlane of Georgetown gave the engine of his 1966 Shelby GT 350 yet another tender loving polishing as he took part in the seventh annual Rock'n, Roll 'n car show on Georgetown's Main Street Friday night. The threatening weather during the day did impact numbers slightly, but there were lots of classic beauties to wow the most discriminating car lover, as well as a great dose of '50s and '60s music to round out the evening. All proceeds from the show are donated to Georgetown Hospital Foundation.
