NOTICE OF FIRST PUBLIC INFORMATION CENTRE CLASS ENVIRONMENTAL ASSESSMENT WINSTON CHURCHILL BOULEVARD FROM 300 METRES NORTH OF BALLINAFAD ROAD / 32 SIDE ROAD TO 1200 METRES SOUTH OF BALLINAFAD ROAD / 32 SIDE ROAD

The Regional Municipality of Peel, along with County of Wellington, have initiated a Class Environmental Assessment Study of Winston Churchill Boulevard from 1200 m south of Ballinafad Road/32 Side Road to 300 m north of Ballinafad Road/32 Side Road, including the intersection of Winston Churchill Boulevard and Ballinafad Road/32 Side Road in the Towns of Caledon, Halton Hills and Erin. The Study is required to address potential improvements to Winston Churchill Boulevard.

The study is being carried out in accordance with Schedule 'C' of the Municipal Engineers Association (MEA) Municipal Class Environmental Assessment (2000). The Study will review the need and justification for possible improvements to the existing corridor and alternatives to the undertaking, including an evaluation of impacts on the natural and social environment.

Upon completion of the Study, an Environmental Study Report (ESR) will be filed and placed on public record. Notification regarding the completion and availability of the ESR will be provided at a later date.

Public consultation is vital to this Study. We want to ensure that anyone with an interest in this Study has the opportunity to get involved and provide input before any decisions are made on a preferred concept for roadway improvements.

Public Information Centre

Two (2) Public Information Centres (PICs) will be held in association with the Study, with the first PIC scheduled for:

Date: Thursday, September 21, 2006
Time: 6 p.m. to 8:30 p.m.
Location: The Terra Cotta Community Centre
18 High Street
Terra Cotta, ON

The PIC will consist of an informal drop-in centre with display information on the Study findings to date. Attendees will have the opportunity to meet the project team, ask questions and provide comments on the project. Anyone with an interest in the Study is invited to attend and participate. With the exception of personal information, all comments will become part of the public record.

For further information or if you are unable to attend the Public Information Centre and wish to provide your views, you may contact or write:

Terry Fox runs go Sunday

LISA TALLYN
Staff Writer

Area residents will join others across the country Sunday, Sept. 17 to raise money for cancer research by taking part in the 26th annual Terry Fox Run.

Runs will be held in both Acton and Georgetown.

The Acton run will be at the Acton High School track from 8 a.m. to 3 p.m. and the Georgetown run will be at Georgetown South Community Park from 9 a.m. to 2 p.m.

Since its inception in 1981, Acton run organizer Jon Hurst said that event has raised more than \$541,000 for cancer research.

"Acton always comes through," said Hurst. "It's a giving community that supports all kinds of... events."

Last year more than \$29,000 was raised through the Acton run. The turnout was higher than normal its believed because it was the 25th anniversary of Fox's run and there was ample advance publicity.

"I know we had quite a few new people out last year," said Hurst. The track doesn't allow for rollerblading, but participants can run, walk, cycle and wheel (wheelchair) around the course.

Hurst has been involved with the Acton run for 25 years and still clearly remembers standing on the highway near Barrie in the dark early one morning in 1980 waiting for Terry Fox to run by during his Marathon of Hope.

"I'm still in awe of him," said Hurst.

Hurst, whose wife Maxine died of cancer in 2000, said there has been progress made in beating the disease, and today there are "a whole lot of diagnoses that are positive."

Tamara Diardichuk-Crawford, organizer of the Georgetown Terry Fox Run, said last year's run in Georgetown brought in approximately \$32,000—the most the local event has ever raised—and credits the 25th anniversary of the run as the reason.

"We'd like to get to \$20,000 again this year," she said.

She's expecting 400-500 participants and said those who come out can roller blade, walk, run, cycle or go around the path in a wheelchair.

She added there will be raffle prizes again this year.

Diardichuk-Crawford, who battled cervical cancer, which she was diagnosed with in 2000, has been clear from the disease for four years now.

Earlier this year she and her husband experienced what they are calling a miracle with the birth of their twins Mira (short for Miracle) and Teran.

As a result of the cancer and extensive treatment Diardichuk-Crawford went through, her chance of having children was only 15 per cent, but they decided they would try one course of in-vitro-fertilization anyway.

The night before the procedure she said she woke up and just knew it was going to work. Nine days later it was confirmed that she was pregnant with twins. She gave birth to the healthy babies in March.

Volunteers are still needed to help with the Georgetown run and anyone needing more information or wanting to volunteer should call Diardichuk-Crawford at 905-873-1143.

Pledge sheets are available at various locations in Georgetown and Acton including banks, LCBO, Boston Pizza, schools and variety stores.

For more information on the Acton run contact Hurst at 519-853-2015.

BEST BUY CORRECTION NOTICE
Best Buy - Correction Notice To our valued customers: We apologize for any inconvenience caused by an error in our flyer dated: September 01 - September 07.
Product: Solo Rate Plan. On pg. 2 of our September 1 insert, we state that this plan includes unlimited local weeknights and free text messaging, but that is incorrect. In fact, it includes 1000 evening and weekend minutes and free incoming text messaging.

BEST BUY CORRECTION NOTICE
Best Buy - Correction Notice To our valued customers: We apologize for any inconvenience caused by an error in our flyer dated: September 01 - September 07.
Product: Free Microsoft Wireless Mouse and Keyboard Promotion. To clarify this promotion from the front page of our September 1 flyer, these products are free only with purchase of Microsoft Office Student and Teacher Edition 2003. SKU: 10034933

FUTURE SHOP CORRECTION NOTICE
Toshiba 56" DLP Projection HDTV (56HM66) 10074997. This HDTV is advertised for \$1999.99 with a \$600 savings on p. 4 of our September 6th insert flyer.
