Event to honour popular BMX rider

A BMX bike racing event will be held this Saturday in Milton to honour the memory of a popular local-area rider and coach who died this summer at Halton Place.

All proceeds from the Celebration of Life will be donated to the Tim DaSilva Fund and a race will be held in the Milton native's memory, along with many other activities beginning at 1 p.m. at the Track 2000 facility.

The 21-year-old DaSilva was killed when a large machine he was operating while constructing a BMX track that he had designed at nearby Halton Place overturned on him. He was well known in BMX circles around the province and served as a coach and mentor to young riders.

Saturday's \$20 rider fee includes a Tim's Celebration t-shirt and a commemorative medal. A beef and salad dinner following the race costs \$5.

Local track access permits from other tracks are welcome.

For more info call 416-426-7247.

Halton Waste Management Site

Fall Compost Give Away

Friday, September 22 • Saturday, September 23 • Monday, September 25
8:00 a.m. – 4:30 p.m.

Thanks to the participation efforts of Halton residents, about 26,000 tonnes of yard waste is collected every year and turned into rich, garden-friendly compost. Halton Residents are invited to come out to our Compost Give Away to pick up some of this compost as a 'Thank You' for helping divert a usable material from the landfill, thereby extending its life!

- All Halton households are welcome to collect a maximum of seven bags (or equivalent) of compost.
- Residents are responsible for shovelling and bagging their own compost.
- Please bring your own bags/containers and shovel.
- Non-perishable food items or cash donations will also be gratefully accepted on behalf of Halton area food banks.

House cleaning? We can help!

Bring your reusable clothing and household items to the Salvation Army Depot at Halton's Waste Management Site.

A Community Partnership

Thank you for helping your community in need.

Inquire, Investigate and Explore at the 2006 Halton Children's Water Festival!

On September 26, 27 and 28 over 3,000 grades three, four and five students, will participate in the inaugural Halton Children's Water Festival at Kelso Conservation Area in Milton.

The Festival co-hosted by Halton Region and Conservation Halton in partnership with the Halton District School Board, the Halton Catholic District School Board and the Town of Oakville, will offer over 50

interactive Ontario curriculum based activities designed to educate Halton students on our most precious resource; water.

The inaugural Festival is a great initiative that will teach our youth about the importance of our precious water resources, and promote environmental stewardship to ensure our natural legacy for future generations. For more information please visit www.haltonchildrenswaterfestival.com.
