

Museum kicks off eighth season of Hearthside Music Series

On Saturday, September 23, the Halton Museum Foundation kicks off its eighth year of the popular Hearthside Dinner & Music Series.

Mood Indigo performs a mix of light jazz and pop sung by Monika Burany accompanied by Brent Settington on keyboard and Peter Smith on sax.

The Hearthside Dinner & Music series is

one of the fundraising initiatives that the Halton Museum Foundation has developed to support the second phase of a multi-phase improvement plan for the Halton Region Museum, located in Kelso Conservation Area, Milton. Proceeds will go towards the construction of a new Artifact Centre to house the Museum's 35,000 artifacts.

Doors open at 6 p.m., with dinner at 7

p.m., followed by Mood Indigo's performance until 11 pm. Tickets are \$45 and are available by calling the Museum at 905-875-2200 ext. 21 OR 1-866-442-5866, ext. 7935/21. Tickets are limited and advance sales only. For additional information on Hearthside evenings and other special events, visit Halton Region's website at: www.halton.ca/museum/.

Where Child Abuse Hurts Most

Sometimes the worst scars of child abuse can't be seen. Whether physical or emotional, abuse attacks a child's self-esteem and emotional development, leaving long-term emotional trauma and pain. You can help prevent child abuse by being a nurturing parent or caregiver. By letting children know they are special, competent and loved, you can help them develop positive self-images and happier futures. If you feel overwhelmed, angry or frustrated as a parent, help is out there for you. Look in your area for support groups and services, or talk to a trusted friend, family member, pastor or doctor about what you can do to protect and support your child. If we all do our part to prevent child abuse, we'll get to the heart of the matter.

Where colour lives!

Drinking and Driving Can Distort Life.

Drink and drive, and your life may never be the same again. You not only risk your life when you drink and drive, you also risk losing your license, incurring expensive fines, doing time in jail or even causing injury or death to an innocent bystander. With all these consequences facing you, driving under the influence is the worst decision you can make. Don't take chances with drinking and driving; there's always a better alternative.
