NOTICE OF FIRST PUBLIC INFORMATION CENTRE

**CLASS ENVIRONMENTAL ASSESSMENT
WINSTON CHURCHILL BOULEVARD**

**FROM 300 METRES NORTH OF BALLINAFAD ROAD / 32 SIDE ROAD
TO 1200 METRES SOUTH OF BALLINAFAD ROAD / 32 SIDE ROAD**

The Regional Municipality of Peel, along with County of Wellington, have initiated a Class Environmental Assessment Study of Winston Churchill Boulevard from 1200 m south of Ballinafad Road/32 Side Road to 300 m north of Ballinafad Road/32 Side Road, including the intersection of Winston Churchill Boulevard and Ballinafad Road/32 Side Road in the Towns of Caledon, Halton Hills and Erin. The Study is required to address potential improvements to Winston Churchill Boulevard.

The study is being carried out in accordance with Schedule 'C' of the Municipal Engineers Association (MEA) Municipal Class Environmental Assessment (2000). The Study will review the need and justification for possible improvements to the existing corridor and alternatives to the undertaking, including an evaluation of impacts on the natural and social environment.

Upon completion of the Study, an Environmental Study Report (ESR) will be filed and placed on public record. Notification regarding the completion and availability of the ESR will be provided at a later date.

Public consultation is vital to this Study. We want to ensure that anyone with an interest in this Study has the opportunity to get involved and provide input before any decisions are made on a preferred concept for roadway improvements.

Public Information Centre

Two (2) Public Information Centres (PICs) will be held in association with the Study, with the first PIC scheduled for:

Date: Thursday, September 21, 2006
Time: 6 p.m. to 8:30 p.m.
Location: The Terra Cotta Community Centre
18 High Street
Terra Cotta, ON

The PIC will consist of an informal drop-in centre with display information on the Study findings to date. Attendees will have the opportunity to meet the project team, ask questions and provide comments on the project. Anyone with an interest in the Study is invited to attend and participate. With the exception of personal information, all comments will become part of the public record.

For further information or if you are unable to attend the Public Information Centre and wish to provide your views, you may contact or write:
