Advertising Sales Representative

"I have worked very successfully as a regional and store manager in the retail industry for many years. I earned a good salary and enjoyed the network of people around me but time with family was limited because the job required me to work weekends and nights.

Finding this position with the Goldbook has given me the freedom and flexibility to attend to my family priorities and still be successful even though I had no prior experience in directory sales or advertising.

I have also found my earnings to date to be greater than my previous position. And the potential increase in salary in the coming year is very exciting."
