The purpose of the above noted By-law is to:

- adopt a new Official Plan for the Town of Halton Hills Planning Area, dated September, 2006.
- authorize the Town Clerk to make application to the Region of Halton for approval of the new Official Plan.
- repeat the existing Official Plan, adopted by By-law No. 82-135, upon approval of the new Official Plan by the Region of Halton, with the exception of Amendment No. 104 (Norval Secondary Plan), Amendment No. 113 (Glen Williams Secondary Plan), and Amendment No. 103 (Dufferin Quarry Expansion). Amendment Nos. 104 and 113 shall be identified as Amendment Nos. 1 and 2 to the Official

Plan of the Halton Hills Planning Area, upon approval of the Official Plan by the Regional Municipality of Halton.

Purpose and Effect of the new Official Plan

The purpose of the new Official Plan is to provide a detailed land use planning framework for the Town of Halton Hills to a planning horizon of 2021. The new Official Plan is intended to implement Provincial and Regional plans and policies, including the Niagara Escarpment Plan, Greenbelt Plan, Provincial Policy Statement, and Region of Halton Official Plan through more detailed policies that appropriately reflect the Town's character, role and location within the Region of Halton and the Greater Toronto Area.

The operative part of the Official Plan consists of an Introduction and eight parts, each of which is described below:

Part A (Community Vision, Goals and Strategic Objectives and Land Use Concept) contains the Vision of the Town. This Vision was prepared by Council and is based on an understanding of past and future trends and the wishes of the Town's residents. The goals and strategic objectives that form the basis of the Plan flow from the Vision. These goals and strategic objectives also establish a framework for the other objectives and policies in the Plan. This section of the Plan also describes how it is to be implemented through a series of land use designations.

Part B (Environmental and Open Space Land Use Policies) contains policies that apply to the natural heritage features and public and private open space lands within the Town, including lands within the Niagara Escarpment Plan Area and lands within the Town's Greenlands system.

Part C (Environmental Management Policies) contains the policies dealing with watercourses, natural hazards, watershed planning and surface and groundwater resources throughout the Town. In addition, policies that specify the requirements for matters such as stormwater management reports, environmental impact studies, tree preservation, the development of contaminated sites, land use compatibility, noise and vibration reports and energy conservation are contained in this section. The policies of this Section of the Official Plan apply to all lands within the Town of Halton Hills, unless specifically modified by the policies contained within Section E2 (Protected Countryside Area).

Part D (Urban Land Use Policies) contains the land use policies that apply to the urban areas of Georgetown, Acton and the 401-407 Employment Corridor.

Part E (Agricultural/Rural) contains the land use policies that apply to the Town's Agricultural/Rural Area.

Part F (General Development Policies) contains policies that, where appropriate, must be considered as part of the land use planning process. This includes subdivision of land, urban design, cultural heritage resources, transportation, parkland, community facilities, servicing, public uses and development phasing. These policies apply to the whole of the Town.

Part G (Plan Implementation and Administration) describes how the Vision, Goals, Objectives and Policies of the Official Plan will be implemented.

Part H (Secondary Plan) contains more detailed planning policies for specific geographic areas in the Town and includes the Secondary Plan for the Hamlets of Glen Williams and Norval.

The Official Plan is also comprised of eighteen Land Use Schedules and two Transportation schedules, which are to be read in conjunction with the text of the document.

Sweatheart of Swing to headline JET show

Three-time National Jazz Award nominee Alex Pangman brings her eight-piece swing orchestra to the John Elliott Theatre on Saturday, October 14 at 8 p.m.

She has become a favorite of jazz fans and dancers alike as she belts out the classic "swing tunes" of the 1920s and 30s, and has become one of Canada's leading classic jazz and traditional swing vocalists.

Her recordings include her 1999 debut CD *They Say* and her follow-up disc *You Can't Stop Me From Dreaming* featuring an all-star cast of musicians including such notables as Jeff Healey, Dick Sudhalter, Chris Whitley and Peter Ecklund. Having traveled across Canada on many occasions, she has also made numerous appearances on major television shows. She has made a big hit on "Canada's Jazz Station" Jazzfm91.1, and was honoured to be invited to take part in their "Jazz Lives" concert series that featured performers such as John Pizzarelli, Peter Appleyard, Holly Cole Phil Nimmons and Micheal Kaeshammer.

It was while performing with Jim Galloway's All Stars, that Pangman met trombonist Dan Barrett (Wild Man Blues, Cotton Club) who dubbed her "Canada's Sweetheart of Swing", a nickname which has stuck, and one that is rightfully deserved.

For ticket and show information visit the Town of Halton Hills website at www.haltonhills.ca. Tickets are on sale now through the John Elliott Theatre Box Office at 905-877-3700.

TV program dedicated to local woman

As October is Breast Cancer Awareness Month the documentary *Don't Stand Still* will once again be airing October 4 at 1 p.m. on W Network.

Don't Stand Still was a documentary produced by Lynn Harvey in 2005, and featured the battle a number of women have undergone in their treatment for cancer. It also documents their training and preparation to take part in the Weekend to End Breast Cancer walk in Toronto.

One of the women featured in the documentary was Georgetown's own Joanne Daquano, who recently lost her battle with cancer. Daquano and her team Hungry Hollow Hooters took part in the walk and raised several thousands of dollars in the process.

This year's airing of the documentary will be dedicated to the memory of Daquano, and the credits will run at the end of the airing.
