## Getting ready for Old Man Winter

Gary Rodda, manager at Adams Rent-All, displays the newest Toro snowblowers available at the store's 334 Guelph Street location in Georgetown. With winter just around the corner, it's time to start shopping for a new snowblower instead of wait-

ing until the driveway is filled with the white stuff. In addition to sales of snowblowers, Adams also services snowblowers, getting them into top shape so they will start effortlessly on the coldest morning.
