# Alert neighbour earns praise for preventing serious house fire

If not for a fast-acting neighbour, a fire at a Mountainview Rd. S. home Wednesday morning (Oct. 18) could have ended in disaster.

A spokesperson for Halton Hills Fire Protection and Prevention Services said the smoke alarms in the home weren't working because the homeowner had removed the batteries the previous night as they were activating while she was cooking.

At about 7:51 a.m. a neighbour smelled smoke and noticed smoke coming from the second floor window of the home.

He banged on the door to awaken the residents of the home while his wife called the fire department.

The residents of the home and the neighbour rushed up to the second floor through the smoke to extinguish the fire that was contained to the mattress and bedding in one of the rooms.

A resident of the house returned home from work later and told the firefighters that she had lit a cigarette in the room, forgot about it, and went to work.

There was no significant damage to the home.

## Bennett named president of human resources group

A Georgetown man has been elected vice-president and president-elect of the Halton Regional chapter of the Human Resources Professionals Association of Ontario (HRPAO).

Michael Bennett has more than 16 years experience as a human resources professional in Canada and the U.S. and is a co-founder and managing director of ENGAGE Human Resources Solutions Inc. in Mississauga.

Bennett is also a citizen representative on the Halton Diversity Advisory Committee and sits on the Program Advisory Committee. He teaches part-time at Sheridan Institute's Human Resources Management

**MICHAEL BENNETT**

program.

"The work of HRPAAH and HRPAAO is very important to the development of strong human resources leaders, professional standards and promotion of best practices in people management, all of which contribute to the quality and success of employers in Halton and across Ontario," said Bennett.

"The HRPAAH has had great leadership under current president John Hardisty, and I look forward to continuing building on the momentum he had created in partnership with our talented executive committee and our members."
