

WHERE PERFORMANCE AND DESIGN CROSS OVER.

Introducing the all-new Mazda CX-7. This isn't the first time Mazda's vision has led to something extraordinary. Nor is it the first time we've changed the automotive landscape. But crossing a versatile 5-passenger design with sport performance like this...well, that's a first. Even for us. Complementing the cutting-edge exterior of the all-new Mazda CX-7 is a sport-bred chassis. Optional Active Torque-Split All-Wheel Drive. And a DISI (Direct Injection Spark Ignition) engine that kicks out 244 horsepower – simultaneously boosting torque and enhancing fuel economy. No less impressive is CX-7's artfully designed interior: A driver's oasis filled with amenities, including an available Bose® Centerpoint® Surround Sound System. Be the first to experience the 2007 Mazda CX-7. Nothing like it has ever crossed your path.
