The Georgetown Bridge Club recently held its tournament at the Colonial Inn in Gananoque, gateway to the beautiful Thousand Islands region.

Many local attractions included historical displays and videos of the region's early days. Views of the autumn foliage from atop the

Skydeck Tower on Hill Island were spectacular.

Tournament winners were Fred Marks, Carolyn and Tom Gibbs, Kees DeGroot, Midge and Ed McKelvie, Stan Muir and Dave Rivers.

Local merchants donated generous prizes, including Timeless Treasures Gifts, Bergsma's Paint and Wallpaper, Supreme Hairstyling, VanRyn Lawn Care, Kopper's Imports.

Natural gas water heaters

Save 50%

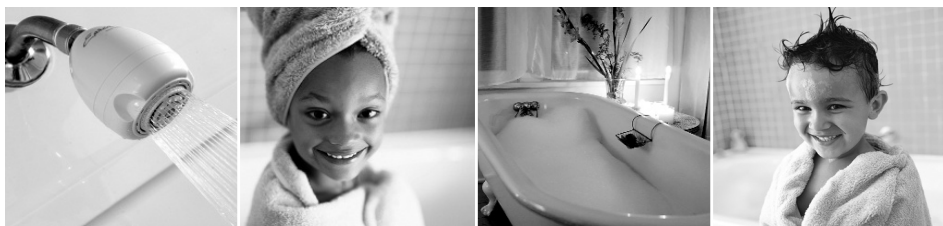

or more* on your annual water heating costs when compared to electric water heaters.

Your water heater is the second largest user of energy in your home and accounts for 20-25% of your energy bill. You can cut your water heating energy bill by 35% or more* by replacing an electric water heater with natural gas. And you'll also enjoy an abundant supply of hot water because a natural gas water heater is

2 times faster

at heating water compared to electric.
