The winners from the Halton Hills Public Library's gift basket draw were presented with their prizes by director Jane Diamanti. Norman Mah (left) had his name picked out of 570 adult entries and nine-year-old Jodie Mann was the recipient of the children's draw winning gift. The draw was held in conjunction with Ontario Public Library Week.

## Library program registration to go online

Halton Hills Public Library is changing the way the public can register for preschool programs!

Beginning December 5 residents can register for Baby Tales, Tales for Twos and Library Lion Tales online using the Town of Halton Hills Recreation & Parks Reg-E System. Manual registrations will still be processed by the Library and not by Recreation and Parks.

All you need to register online for library programs is a Family PIN and Personal ID numbers for each family member.

You may already have a Family PIN from registering online with Reg-e for Recreation & Parks programs. If you do, you're all set

because you can use these same Family PIN and Personal ID numbers to register for library programs too.

If you do not have a Family PIN yet, simply submit a PIN Request Form to the Town of Halton Hills, Civic Centre, Recreation & Parks, 1 Halton Hills Drive, Georgetown ON L7G 5G2.

You can also drop off your PIN Request Form at the Gellert Community Centre or Acton Community Centre.

Get your PIN today! Family PIN Request Forms are available at www.haltonhills.ca. For more information, please call 905-873-2681 ext. 2520 or 519-853-0301.

## MedRehab GROUP INC. welcomes
