Trash collection dates altered

During the holiday season there will be changes to waste collection services.

For the weeks of December 25 and January 1, collection will take place the day after residents' regular collection day. There will be collection services on Boxing Day, December 26.

Collection times may vary due to high volumes of waste material and poor weather conditions. Residents are asked to please place their waste at the curb by 7 a.m. on their scheduled collection day.

Christmas trees will be collected in the

urban areas beginning the week of January 8.

For more details on waste collection services in their area, residents may also check the 2006 "Curb Appeal" Waste Management Calendar or visit the Region's Waste Management website at www.halton.ca/waste.

The Halton Waste Management Site (HWMS) will maintain its regular operating hours and will be open Monday to Saturday from 8 a.m. to 4:30 p.m. but will be closed on Monday, December 25 and Monday, January 1. The HWMS is located at 5400 Regional Road 25, Milton.
